Address: _____

Telephone: _____

Cell phone: _____

Email address: _____

Years lived in Wayland: _____ Previously lived Where: _____

Occupation: _____

Gardening Interests: _____

Other Interests: _____

How did you hear about us: _____

Signing and returning this application indicates your willingness to become an Active Member of the Wayland Garden Club.

Active Members are encouraged to attend four meetings per year. The meetings take place from September through May and include the December Wreath Workshop and a Spring Trip. Members must also serve on a refreshment or flower committee and provide library flowers or have a service assignment on an assigned date. The assigned dates appear in our Yearbook. If the assigned date(s) is inconvenient for a member, it is her responsibility to find a substitute and inform the appropriate chairperson.

We also ask members to be involved in a summer service program at the garden at the Wayland Free Public Library and at our Plant Sale in the spring.

We look forward to your participation in the WGC and hope you enjoy our camaraderie and activities.

Dues are \$55.00 per year, subject to change.
